www.greenheck.com

Dedicated Outdoor Air (DOAS), fan arrays and replacements, overhead fans (HVLS), kitchen ventilation systems, energy recovery, make up air, lab exhaust systems, bath fans, dampers, louvers, duct heaters, custom coils, fan coil units, gravity ventilators

www.accurex.com

Commercial kitchen ventilation systems and controls, fire suppression, residential range hoods, make-up air units, DOAS

www.priceindustries.com

Air distribution devices, terminal units, chilled beams, underfloor systems, displacement air ventilation, fan filter units, operating room ceiling systems, room air purifiers, fan and blower coils, controls, VAV diffusers, CFD analysis

www.antecontrols.com

Venturi valves, room pressure monitor, room pressure controls for lab, healthcare and pharmacy applications

www.priceindustries.com

Silencers, plenums, acoustical enclosures and louvers, acoustical analysis

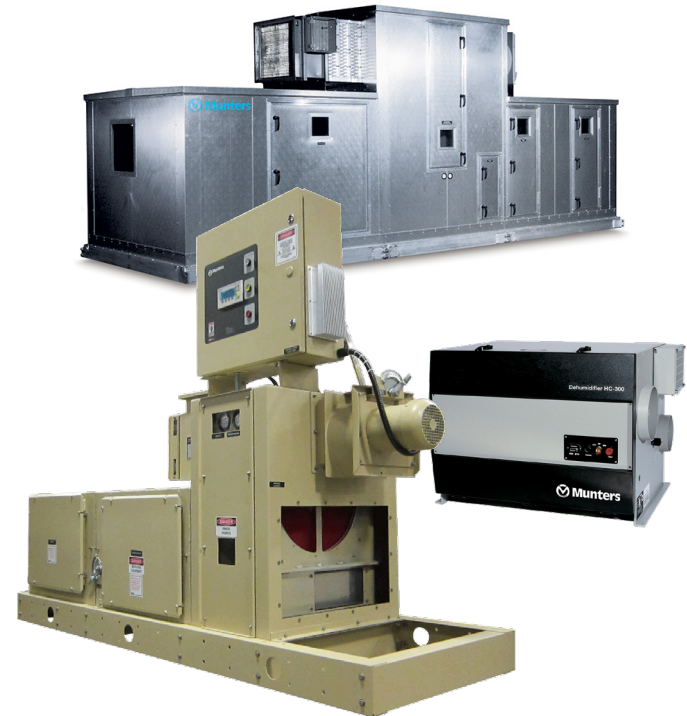

www.acutherm.com

VAV diffusers, thermally actuated diffusers

www.munters.com

Desiccant dehumidification, data center, food process, low dew point applications, evaporative humidifier/coolers

www.airconceptsinc.com
 Specialty diffusers

www.airenterprises.com
 Custom air handling units
 specializing in SiteBilt® for retrofit
 and tight access applications

www.airiusfans.com
 Destratification fans

www.interzon.com
 Ozone generators for grease duct

www.airmonitor.com
 Airflow measurement solutions
 including differential pressure and
 thermal dispersion measurement,
 outdoor air measurement systems

www.antrum.com
 Continuous indoor air quality
 monitoring systems creating
 healthier, more efficient buildings

www.armstrongmonitoring.com
 Gas detection and monitoring
 systems (CO, refrigerants,
 CO2, NO2, VOC)

www.camfil.com
 MERV HEPA and carbon filters, contain-
 ment systems, frames and housings,
 bag-in/bag-out housings, fan filter units,
 room air purifiers, dust collectors

www.car-mon.com
 Ventilation products for vehicle
 exhaust, welding fume removal
 and dust collecting, metal and
 wood dust collectors

www.ductsox.com
 Custom fabric systems designed
 for hundreds of applications
 (gymnasiums, pools, data centers,
 grow facilities, etc.)

www.franklin-controls.com/hvac
 Variable frequency drives,
 motor starters and multi-stage
 packaged pumps

www.gripple.com
 Innovative solutions for the
 suspension of mechanical
 and electrical systems

www.herculesindustries.com
 Sheet metal accessories, spiral pipe
 and non-gasketed fittings (spot
 welded, fully welded, double wall,
 Galv., alum., stainless steel and PVS)

www.icschillers.com
 Industrial packaged chillers, brewery
 and distillery chillers, industrial
 condensing units and rental chillers
